

Your health and safety is our priority!

Aloha and Mahalo for being a part of our Makali'i 'ohana. In order to keep everyone safe, we will be following these protocols and guidelines for all NKW workdays, gatherings, and/or events.

On the day of the activity/event if you should answer yes to any of the following questions, we will ask that you not attend at this time:

1. Do you currently feel ill or in the past 24 hours, have you been ill with flu-like symptoms such as coughing, sore throat, shortness of breath, fever, chills, or have a temperature of 99 degrees or higher?
YES NO
2. Are you currently, or in the past 24 hours, have you been in close contact with a person exhibiting flu-like symptoms such as coughing, sore throat, shortness of breath, fever, chills, or having a temperature of 99 degrees or higher. Or have you been tested for Covid-19?
YES NO

IMPORTANT: During the event, if a person is informed that they have received a positive result for Covid 19, or that they have been exposed to someone who has received a positive result for a Covid test, Nā Kālai Wa'a will honor the policies of the school or organization in attendance, however NKW also reserves the right to make a decision regarding canceling the event or continuing in order to keep all in attendance safe.

On the day of the event, please be prepared to follow the following protocols and guidelines at all times:

- We will gather in groups of **no more than 10 people** at a time indoors and no more than 35 outdoors.
- **We will check your temperature (if this has not already been done by your school or organization)** at your arrival to the workday/activity and ask you to leave if you have a temperature.
- If you are feeling ill, please **return to your home**. We will see you when you are well!
- **Face masks** must be worn at all times indoors. It is highly recommended that face masks also be worn outdoors.
- Please wash your hands often with **soap and water** for at least 20 seconds as needed.
- Practice **social distancing** - maintain 6 ft. between you and the next person at all times (unless in family clusters)
- **Clean and disinfect** frequently touched objects or surfaces.
- If your **young keiki accompany** you to a Makali'i workdays, or site, please be sure that they also abide by these protocols and are safe in your family cluster.
- **If you cough or sneeze, cover your mouth** with a tissue, discard the tissue and wash your hands for 20 secs.

I have answered the above questions to the best of my knowledge and agree to abide by the Nā Kālai Wa'a safety protocols and guidelines.
